II. INTRODUCTION

J. Patrick Lamb, Assistant United States Attorney, and William R. Blanchard, Jr., attorney for the defendant, Jesse Lemar McCormick, pursuant to Rule 11(c)(1)(A) and Rule 11(c)(1)(B) of the Federal Rules of Criminal Procedure, with the authorization of the defendant, submit this plea agreement. The terms are as follows.

III. THE GOVERNMENT'S PROVISIONS

1. Pursuant to Rule 11(c)(1)(B), the government agrees to recommend a sentence of no greater than the bottom, that is, the lowest number, of the advisory Guidelines range, as calculated by the Court at the sentencing hearing.

2. The government acknowledges that the defendant assisted authorities in the investigation and prosecution of the defendant's own misconduct by timely notifying the government of the defendant's intention to enter a guilty plea, thereby permitting the government to avoid preparing for trial and allowing the government and the Court to allocate resources

efficiently. Provided the defendant otherwise qualifies, and that the defendant does not, before the date of the sentencing hearing, either personally or through the actions of the defense attorney on behalf of the defendant, take any action inconsistent with the acceptance of responsibility, the government will move at or before the sentencing hearing for a further reduction of one level. *See* U.S.S.G. § 3E1.1(b). Determination of whether the defendant met the defendant's obligations to qualify for a reduction pursuant to § 3E1.1(b) is at the sole discretion of the government. Further, the government reserves the right to oppose the defendant's receiving a two-level reduction pursuant to § 3E1.1(a) should the government receive information indicating that, between the date of the plea hearing and the date of the sentencing hearing, the defendant, either personally or through the actions of the defense attorney on behalf of the defendant, has acted inconsistently with the acceptance of responsibility.

3. Pursuant to Rule 11(c)(1)(A), the government agrees that it will, at the sentencing hearing, move to dismiss Counts 2, 3, 5, 10 and 13. The government further agrees that it will not bring any additional charges against the for the conduct described in the Indictment.

4. The parties agree that the United States will request the Court to order the defendant to pay an assessment of not more than \$50,000, per relevant count of conviction pursuant to 18 U.S.C. § 2259A, and \$5,000 pursuant to 18 U.S.C. § 3014 as determined by the Court at the time of sentencing. Any assessments imposed shall be paid through the Office of the Clerk of the District Court by bank or cashier's check or money order made payable to the "Clerk, United States District Court."

5. The parties agree that the United States reserves the right to recommend a fine. Any fine imposed shall be paid through the Office of the Clerk of the District Court by bank or cashier's check or money order made payable to the "Clerk, United States District Court."

IV. THE DEFENDANT'S PROVISIONS

6. The defendant agrees to plead guilty to Counts 1, 4, 6, 7, 8, 9, 11, and 12 and to make factual admissions of guilt in open court. The defendant further agrees to waive any right the defendant may have to subsequently withdraw the guilty plea pursuant to Rule 11(d). The defendant also promises to refrain from taking any action inconsistent with the defendant's acceptance of responsibility for the offense to which the defendant is pleading guilty.

7. The defendant reserves the right to request a downward variance, that is, a sentence below the bottom, that is, the lowest number, of the advisory Guidelines range.

8. The defendant acknowledges that the defendant will not be allowed to withdraw the guilty plea in the event that the Court does not accept any or all of the recommendations made pursuant to Rule 11(c)(1)(B). The defendant also understands that the defendant will be allowed to withdraw the guilty plea in the event that the Court does not accept any or all of the provisions set forth pursuant to Rule 11(c)(1)(A).

9. The defendant agrees not to commit any other federal, state, or local offense while awaiting sentencing, regardless of whether that offense is charged or chargeable. The defendant agrees to provide truthful information to Probation and to the Court in all presentence and sentencing proceedings.

10. The defendant agrees that conduct set forth in Counts 2, 3, 5, and 10, even though those counts will be dismissed at sentencing, shall be included in relevant conduct when the applicable sentencing guidelines range is calculated in this matter. The defendant further agrees that he will not object to said conduct being included as relevant conduct. The defendant also agrees to restitution for all victims in Counts 2, 3, 5, 10, and 13.

11. The defendant agrees to pay all fines and restitution imposed by the Court to the Clerk of the Court. The defendant acknowledges that the full fine and restitution amounts shall be considered due and payable immediately. If the defendant cannot pay the full amount immediately and is placed in custody or under the supervision of Probation at any time, the defendant agrees that the United States Bureau of Prisons and Probation will have the authority to establish payment schedules to ensure payment of the fine and restitution. The defendant further agrees to cooperate fully in efforts to collect any financial obligation imposed by the Court by set-off from federal payments, execution on non-exempt property, and any other means the government deems appropriate. The defendant also agrees that the defendant may be contacted by government officials regarding the collection of any financial obligation imposed by the Court without notifying the defendant's attorney and outside the presence of the defendant's attorney.

12. To facilitate the collection of financial obligations imposed in this case, the defendant agrees to disclose fully all assets in which the defendant has any interest or over which the defendant exercises control, directly or indirectly, including those held by a spouse, nominee, or third party. Further, the defendant will, if requested by the government, promptly submit a completed financial statement to the Office of the United States Attorney for the Middle District of Alabama in a form the government provides and as the government directs. The defendant promises that such financial statement and disclosures will be complete, accurate, and truthful. The defendant expressly authorizes the government to obtain a report on the defendant's credit in order to evaluate the defendant's ability to satisfy any financial obligation imposed by the Court.

13. The defendant certifies that the defendant has made no transfer of assets in contemplation of this prosecution for the purpose of evading or defeating financial obligations that

are created by this agreement or that may be imposed upon the defendant by the Court. In addition, the defendant promises that the defendant will make no such transfers in the future.

14. The defendant agrees to pay the \$100 assessment fee per felony count of conviction on the date of sentencing.

15. The defendant agrees to waive and hereby waives all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including, but not limited to, any records that may be sought under the Freedom of Information Act, *see* 5 U.S.C. § 552, or the Privacy Act of 1974, *see* 5 U.S.C. § 552a.

16. Defendant agrees that any restitution ordered by the Court under 18 U.S.C. § 2259 shall include the defendant's total offense conduct. Defendant agrees and understands that any payment schedule imposed by the Court is without prejudice to the United States to take all actions and take all remedies available to it to collect the full amount of the restitution.

Defendant agrees that the restitution, restitution judgment, payment provisions, and collection actions of this plea agreement are intended to, and will, survive the defendant, notwithstanding the abatement of any underlying criminal conviction after the execution of this agreement. Defendant further agrees that any restitution collected and/or distributed will survive him, notwithstanding the abatement of any underlying criminal conviction after execution of this agreement.

The restitution described above shall be paid through the Office of the Clerk of the District Court by bank or cashier's check or money order made payable to the "Clerk, United States District Court."

The parties will jointly recommend that as a condition of probation or supervised release, the defendant will notify the Collections Unit, United States Attorney's Office, of any interest in property obtained, directly or indirectly, including any interest obtained under any other name, or entity, including a trust, partnership or corporation after the execution of this plea agreement until the fine or restitution is paid in full.

The parties will also jointly recommend that as a condition of probation or supervised release, the defendant will notify the Collections Unit, United States Attorney's Office, before the defendant transfers any interest in property owned directly or indirectly by the defendant, including any interest held or owned under any other name or entity, including trusts, partnerships and/or corporations.

V. FORFEITURE OF ASSETS

17. The defendant agrees to forfeit all rights, title, and interest in any and all visual depictions in 18 U.S.C. § 2252A, and in any book, magazine, periodical, film, videotape, computer, computer disk, or other matter which contains or contained any such visual depiction that was produced, transported, mailed, shipped, received or possessed in violation of that Section.

18. The defendant agrees to forfeit all rights, title, and interest that he may possess in the following property referenced in the Indictment:

(a) an Apple iPhone XR (A1984), IMEI: 356429108833634; Subject to paragraph 24, the defendant also agrees to waive all constitutional, statutory, and procedural challenges (including direct appeal, habeas corpus, or any other means) to any forfeiture carried out in accordance with this plea agreement on any grounds, including that the forfeiture described herein constitutes an excessive fine, was not properly noticed in the charging instrument, addressed

by the Court at the time of the guilty plea, announced at the sentencing hearing, or incorporated into the judgment.

19. Subject to paragraph 24, the defendant admits and agrees that the conduct described in the factual basis section below provides a sufficient factual and statutory basis for the forfeiture of the property sought by the government. Pursuant to Rule 32.2(b)(4) of the Federal Rules of Criminal Procedure, the defendant agrees that the preliminary order of forfeiture will satisfy the notice requirement and will be final as to the defendant at the time it is entered. In the event the forfeiture is omitted from the judgment, the defendant agrees that the forfeiture order may be incorporated into the written judgment at any time pursuant to Rule 36.

20. The defendant agrees to take all steps necessary to assist the government in obtaining clear title to forfeitable assets before the defendant's sentencing. In addition to providing full and complete information about forfeitable assets, these steps include, but are not limited to, the surrender of title, the signing of a consent decree of forfeiture, and signing of any other documents necessary to effectuate such transfers. To that end, the defendant agrees to make a full and complete disclosure of all assets over which defendant exercises control directly or indirectly, including all assets held by nominees, to execute any documents requested by the United States to obtain from any other parties by lawful means any records of assets owned by the defendant, and to consent to the release of the defendant's tax returns for the previous five years. The defendant agrees to be interviewed by the government, prior to sentencing, regarding such assets and their connection to criminal conduct. The defendant agrees that Rule 11 of the Federal Rules of Criminal Procedure and § 1B1.8 of the Sentencing Guidelines will not protect from forfeiture assets disclosed by the defendant as part of any cooperation provided by the defendant.

21. The defendant agrees that the government is not limited to forfeiture of the property specifically identified for forfeiture in this plea agreement. If the government determines that property of the defendant identified for forfeiture cannot be located upon the exercise of due diligence; has been transferred or sold to, or deposited with, a third party; has been placed beyond the jurisdiction of the Court; has been substantially diminished in value; or has been commingled with other property which cannot be divided without difficulty; then the government shall, at its option, be entitled to forfeiture of any other property (substitute assets) of the defendant up to the value of any property described above. The defendant expressly consents to the forfeiture of substitute assets as authorized herein shall not be deemed an alteration of the defendant's sentence.

22. Forfeiture of the defendant's assets shall not be treated as satisfaction of any fine, restitution, cost of imprisonment, or any other penalty the Court may impose upon the defendant in addition to forfeiture.

23. The defendant agrees that, in the event the Court determines that the defendant has breached this section of the plea agreement, the defendant may be found ineligible for a reduction in the Guidelines calculation for acceptance of responsibility and substantial assistance, if applicable, and may be eligible for an obstruction of justice enhancement.

24. The defendant agrees that the forfeiture provisions of this plea agreement are intended to, and will, survive the defendant, notwithstanding the abatement of any underlying criminal conviction after the execution of this agreement. The forfeitability of any particular property pursuant to this agreement shall be determined as if the defendant had survived, and that determination shall be binding upon the defendant's heirs, successors, and assigns until the agreed forfeiture, including satisfaction of any preliminary order of forfeiture for proceeds.

25. Regardless of the agreement and waiver referenced above, this Agreement does not include that property described in the indictment and set out as follows:

“certain real property and premises, located at 780 Lake Region Circle,
Wetumpka, Elmore County, Alabama, with all appurtenances and
improvements thereon;”

This specific real estate is excepted from this agreement. Neither party agrees to any resolution of that portion of the indictment and contemplate further litigation without the benefit of any currently contemplated agreement regarding that specific property.

VI. FACTUAL BASIS

26. The defendant admits the allegations charged in the Indictment and understands that the nature of the charges to which the plea is offered involves proof as to Counts 1, 4, 6, 7, 8, 9, 11, and 12. Specifically, the defendant admits the following to be true and correct:

Count 1 (Child Victim 1):

18 U.S.C. § 2251(a) – Sexual Exploitation of a Child

a. On April 5, 2020, CV1 was a 15-year-old child. Defendant was a 22-year-old adult known to numerous youths of Autauga and Elmore Counties as a youth counselor, pastor, and baseball coach.

b. On April 4, 2020, CV1 and Defendant engaged in a “Snapchat” conversation. During that conversation, they discussed Defendant’s roles as a counselor and pastor and various male minors known to both individuals. The Defendant advised that the “Snapchat” post allowed him to see up CV1’s shorts. Subsequently, the two discussed the various minors revealing their genitalia to each other and the relative sizes of the minor’s penis and the Defendant’s penis. The Defendant asked if the conversation could remain confidential.

c. The Defendant asked if the others had seen CV1's penis "hard"; asked whether he wanted to see a video of his friend; and sent him a homemade pornographic video which he claimed to have made. Defendant asked if CV1 had ever made a pornographic video, to which CV1 responded that he was 15. Defendant sent an image of his penis and requested an image of CV1's penis. At some point after receiving an image of a penis from CV1, Defendant sent a message, "just know you my bro you seen my d."

d. Much of this conversation was captured via screenshots on CV1's electronic device.

e. In a post *Miranda* interview, the Defendant admitted sending inappropriate pictures of his penis to various boys and to receiving inappropriate pictures of boys' penises on his phone. He further admitted the photos might still be on his phone.

Couns 4 (Child Victim 2):

18 U.S.C. § 2251(a) – Sexual Exploitation of a Child

f. On April 5, 2020, CV2 was a 15-year-old child. On or about April 4, 2020, CV2 engaged in a "Snapchat" conversation with the Defendant. Defendant asked to see CV2's penis, sent him obscene sexual pictures, and asked about homosexual pornography. CV2 told Defendant he was 15 years of age and Defendant indicated he was 22 years of age. The conversation included inquiry about seeing the penis of CV2's minor friends.

g. When CV2 sent Defendant a picture of a penis downloaded from the internet, the Defendant indicated it was not CV2's and asked him to send an actual picture of CV2's penis. The Defendant asked that CV2 not tell anyone about the content of their conversation.

h. The sexual pictures sent to CV2 included a picture of Defendant's penis and was the same image the Defendant sent to CV1. Another image contained a red, gray, and white comforter that was discovered at the Defendant's house.

i. Much of the conversation was saved via screenshot of the "Snapchat" conversation.

Count 6 (Child Victim 3):

18 U.S.C. § 1470 – Transfer of Obscene Material to Minors

j. On April 9, 2020, CV3 was a 14-year-old child. On or about that date, the Defendant sent him a video of a man and woman having sexual intercourse. The Defendant indicated it was for "his eyes only vault."

k. A copy of a video matching that description was recovered on CV3's electronic device.

Counts 7 and 8 (Child Victim 4):

18 U.S.C. § 2251(a) – Sexual Exploitation of a Child

18 U.S.C. § 2251(a) – Sexual Exploitation of a Child

l. On March 1 and 8, 2020, CV4 was a 12-year-old child.

m. On March 1, 2020, the Defendant made an electronic video of himself rubbing and fondling CV4's genitals through his clothing.

n. On March 8, 2020, the Defendant made an electronic video of himself rubbing and fondling CV4's genitals through his clothing.

o. Both video recordings were recovered from the Defendant's electronic device. Metadata attached to the recordings indicated the location was at or near the Defendant's residence and indicated the date. CV4 was independently confirmed to be at the residence at that time.

Counts 9 (Child Victim 5):

18 U.S.C. § 2251(a) – Sexual Exploitation of a Child

p. In early 2020, CV5 turned 14 years of age. He informed the Defendant that he was a minor when they communicated on “Snapchat.”

q. During that time frame, the Defendant sent several images of the Defendant’s genitals to CV5 via Snapchat.

r. Defendant offered to buy CV5 a smart phone if he would video CV5’s genitals during masturbation and send the recordings to him.

Count 11 (Child Victim 6):

18 U.S.C. § 1470 – Transfer of Obscene Material to Minors

s. CV6 was 14 years of age on April 9, 2020. Defendant was aware of CV6’s age due to his previous relationship as counselor or coach.

t. Prior to April 9, 2020, Defendant sent CV6 two pornographic videos. At least one of the videos was of a man and a woman having sexual intercourse and showing the male’s penis and the woman’s bottom.

Count 12 (Child Victim 7):

18 U.S.C. § 1470 – Transfer of Obscene Material to Minors

u. CV7 was 15 years of age on April 9, 2020. Defendant was aware of CV7’s age due to his previous relationship as counselor or coach.

v. Prior to April 9, 2020, the Defendant sent CV7 pornographic videos including one in which the Defendant had sex with a woman.

VII. THE DEFENDANT’S WAIVER OF APPEAL AND COLLATERAL ATTACK

27. Understanding that 18 U.S.C. § 3742 provides for appeal by a defendant of the sentence under certain circumstances, the defendant expressly waives any and all rights conferred by 18 U.S.C. § 3742 to appeal the conviction or sentence. The defendant further expressly waives the right to attack the conviction or sentence in any post-conviction proceeding, including proceedings pursuant to 28 U.S.C. § 2255. Exempt from this waiver is the right to appeal or collaterally attack the conviction or sentence on the grounds of ineffective assistance of counsel or prosecutorial misconduct.

28. In return for the above waiver by the defendant, the government does not waive its right to appeal any matter related to this case, as set forth at 18 U.S.C. § 3742(b). However, if the government decides to exercise its right to appeal, the defendant is released from the appeal waiver and may pursue any appeal pursuant to 18 U.S.C. § 3742(a).

VIII. BREACH OF THE PLEA AGREEMENT

29. The parties agree that the issue of whether either party has breached this agreement at any time is one that will be resolved by the Court by a preponderance of the evidence, except as set forth in paragraph 9. The parties agree that, should either party obtain information causing the party to develop a good faith belief that the other party has breached this agreement, then the party will promptly file a written motion—or make an oral motion if doing so would be more expedient—asking that the Court declare the other party to be in breach of the plea agreement.

30. The parties agree that, a breach of the plea agreement by the defendant would include, but not be limited to: (1) failing to fulfill each of the defendant's obligations under this plea agreement; (2) committing new criminal conduct; or (3) seeking to withdraw the guilty plea or otherwise engaging in conduct inconsistent with an acceptance of responsibility. Should the Court find the defendant to have breached this agreement: (1) the government will be free from its

obligations under this agreement; (2) the defendant will not be permitted to withdraw the guilty plea; (3) the defendant's obligations and waivers under this agreement will remain in full force and effect; (4) the defendant will be subject to prosecution for other crimes; and (5) the government will be free to use against the defendant, directly and indirectly, in any criminal or civil proceeding, all statements by the defendant and any information or materials provided by the defendant, including statements made during the plea hearing and all statements made by the defendant pursuant to proffer letters.

31. The parties agree that, in the event that the defendant breaches this agreement by committing new criminal conduct, the government will be required to only establish probable cause to believe that the defendant committed a new criminal offense for the Court to find the defendant in breach of the plea agreement.

32. The parties agree that, should the Court find the government in breach of this plea agreement, the defendant may cancel this agreement and thus be released from the appellate and collateral attack waivers. The parties further agree that a breach of the plea agreement by the government will not automatically entitle the defendant to withdraw the guilty plea and, if the defendant should seek to withdraw the guilty plea on the basis of such a breach, then the defendant will be required to file a motion pursuant to Rule 11(d), which the government could oppose.

IX. THE DEFENDANT'S ACKNOWLEDGEMENTS

33. The defendant acknowledges that the Court is neither a party to nor bound by this agreement. The defendant understands and acknowledges that, although the parties are permitted to make recommendations and present arguments to the Court, the Court will determine the advisory Guidelines range and the sentence. The defendant acknowledges that the defendant and the defendant's attorney have discussed the advisory Guidelines and the statutory sentencing

factors set forth at 18 U.S.C. § 3553(a) and the defendant understands how those provisions may apply in this case. The defendant further understands that the defendant will have no right to withdraw a guilty plea on the basis that the Court calculates an advisory Guidelines range that differs from the range projected by the defense attorney or the government.

34. The defendant acknowledges that the defendant authorized and consented to the negotiations between the government and the attorney for the defendant that led to this agreement.

35. The defendant understands that: (1) in pleading guilty, the defendant may be required to make statements under oath; and (2) the government has a right to use against the defendant, in a prosecution for perjury or for making a false statement, any statement that the defendant makes. However, as the defendant understands, the government may not use as evidence against the defendant in any future proceeding involving the charges alleged in the Indictment or related offenses, the defendant's guilty plea if the Court permits the defendant to withdraw that guilty plea.

36. The defendant understands that if the defendant pleads guilty pursuant to this agreement and the Court accepts that guilty plea, the defendant will waive certain rights, namely: (1) the right to plead not guilty or to persist in a plea of not guilty; (2) the right to a jury trial; (3) the right to be represented by counsel—and if necessary to have the Court appoint counsel— at trial and at every other stage of the proceeding; and (4) the right at trial to confront and cross-examine adverse witnesses, to be protected from compelled self-incrimination, to testify and present evidence, and to compel the attendance of witnesses.

37. Defendant knowingly and voluntarily waives any rights and defenses defendant may have under the Excessive Fines Clause of the Eighth Amendment to the United States

Constitution to the forfeiture of property in this proceeding or any related civil proceeding, special or other assessment, and any order of restitution.

38. The defendant understands: (1) the nature of each charge to which the defendant is pleading guilty; (2) the maximum and minimum possible penalties associated with each charge to which the defendant is pleading guilty, including imprisonment, fine, and a term of supervised release; (3) any applicable mandatory minimum penalty associated with a charge to which the defendant is pleading guilty; (4) any applicable forfeiture provision applicable to a charge to which the defendant is pleading guilty; (5) the Court's authority to order restitution; and (6) the Court's obligation to impose a special assessment.

39. The defendant confirms that the entirety of any agreement between the defendant and the government is as set forth in this agreement and any addendum to this agreement and that the government has not made any promises to the defendant other than those contained in this agreement and any addendum to this agreement. This agreement consists of 21 pages and 45 paragraphs and an addendum.

40. The defendant confirms that counsel has competently and effectively represented the defendant throughout the proceedings leading to the entry of a guilty plea. The defendant is satisfied with such representation.

41. The defendant acknowledges that the defendant enters this plea agreement and pleads guilty freely and voluntarily. That is, the defendant acts without being influenced by any threats, force, intimidation, or coercion of any kind.

42. The defendant understands that this agreement binds only the Office of the United States Attorney for the Middle District of Alabama and that the agreement does not bind any other

component of the United States Department of Justice, nor does it bind any state or local prosecuting authority.

Registration as a Sex Offender under the Sex Offender Registration and Notification Act.

43. The defendant also understands that independent of supervised release, he will be subject to federal and state sex offender registration requirements, and that those requirements may apply throughout the defendant's life. As a condition of supervised release, the defendant shall initially register with the state sex offender registration, and shall also register with the state sex offender registration agency in any state where the defendant resides, is employed, works, or is a student, as directed by the Probation Office. The defendant has been advised and understands that, under the Sex Offender Registration and Notification Act, a federal law, the defendant must register and keep the registration current in each of the following jurisdictions: the location of the defendant's residence, the location of the defendant's employment, and, if the defendant is a student, the location of the defendant's school and that those requirements may apply throughout the defendant's life. Registration will require that the defendant provide information that includes name, residence address, and the names and addresses of any places at which the defendant is or will be an employee or a student. The defendant understands that he must update his registrations no later than three business days after any change of name, residence, employment, or student status. The defendant shall provide proof of registration to the Probation Office within 72 hours of release from imprisonment. The defendant shall comply with requirements to periodically verify in person the defendant's sex offender registration information. The defendant understands that he will be subject to possible federal and state penalties for failure to comply with any such sex offender registration requirement. Specifically, under Title 18, United States Code, Section 2250, the defendant understands that failure to comply with these obligations subjects the

defendant to prosecution for failure to register under, which is punishable by a fine or imprisonment, or both. The defendant further understands that, under Title 18, United States Code, Section 4042(c), notice will be provided to certain law enforcement agencies upon the defendant's release from confinement following conviction.
